FRIEND McFATRIDGE'S AND DECENDENTS,

Your Historian and Genealogist after nearly two years of re-search for many names, locations, ages, deaths, and marriages, etc begs to submit to you the final findings as far as I am able at this time. I find that our early history in the U S A starts about 200 years ago.

At that time there were scarcely and records kept and to trace same back was a real job. After thinking for years that our own small branch (Appanoose County Iowa) was about all there were of the name, McFatridge etc; then to learn through a newspaper item that there were others; and have found not less than 3000 decendents, about 700 being of the McFatridge name.

My surprise was when I had about finished, I found the Pennsylvania Archives (Philadelphia Penn) contained a lot of names of the McFatridges' (and other ways of spelling) and history; so while I was not able to connect all of same with the history furnished me by decendents of the McFatridges' of Philadelphia Penn and vicinity, however, I have connected most of them.

And in conclusion I feel sure that the history of the McFatridges' starts in Philadelphia Penn and vicinity before the Revolutionary War, and that most of the McFatridges' had migrated from there before the census of 1790 (none being listed in the census of that year); that they did locate as follows: Greenville, Mercer County, Penn; Harrodsburg, Mercer County,Kentucky; Napoleon, Ripley County, Indiana; Vienna, Johnson County, Illinois; and Moravia, Appanoose County, Iowa.

I submit a short history of the settlement of Philadelphia by Penn, and some statistics of the Irish who cast their lot with the colonies where Liberty is prized, and for which many McFatridges and their decendents enlisted and served in the Revolutionary War, War of 1812, Indian Wars, Mexican War, Spanish War, Civil War, World War I, as history chronicles; and now they are taking up arms as a United Nation in defense of this our Glorious United States of America in this World War II.

Yours.

C M McFATRIDGE.

A book by John O'Hart, and published by Murphy and McCarthy, 86 Walker Street, New York, (In two volumes) from which the following is copied;

"Mac Fetridge: descended from Colla Vais, 121 St Monarch of Ireland, Criochan, #95 10th generation from Colla Vais, had an elder brother who was ancestor of Mac Fetridge (spelled MacFiacraidh)

Coat of Arms: (Same as MacVais) Az. a wolf, pass. ar. in three Bezants, Crest; a hand coupled at the wrist, erect, grasping a snake, all ppr." It was stated that a coat of arms could be secured from William T Parks 12 Flat St. Dublin, Ireland.

Your historian is unable to say, but believes that above refers to our ancestors, I have found numerous ways to spell McFatridge as above, and McFatrich, McFatrick, McFetridge, McFitridge and other ways of spelling the name.

So we accept this as authetric history of the McFatridge's a now used and known in America--McFatridge and variations.

FOLLOWING PENNSYLVANIA HISTORY IS GIVEN

William Penn, an English Quaker of wealth and family in 1680 asked the King for a tract of land in America--Charles II then owed the Penn family 16.000 Pounds, saw an easy way to pay an old debt, gave the grant, Penn sailed with 100 Colonists, wrote the constitution for the new colony, laid out Philadelphia, made famous "Great Treaty" with the Indians--never broken--,
He established religious freedom, it harbored more races and creeds than any other English Colony--English, Germans, Dutch, Swedes, Welsh, IRISH, Scotch, and Swiss, who lived side by side and worshiped as their hearts' desire.

IRISH IMMIGRANTS TO U S A

30% came from Ulster Province (North Ireland) 80% from the Irish Free State, the ratio was 78 men to 100 women.

They settled as follows:

New York	State	947.542
Mass	"	563.987
Penn	"	419.843

The Irish and their decendents now are over 6.000.000 people.

Passionately devoted to freedom, in 1775, a group of northern Irish living in Mecklenburg County N C, adopted a Declaration for seperation from the Crown of Englans.

VIENNA ILL, BRANCH JOHNSON COUNTY,
and MT VERNON ILL BRANCH,

VIENNA ILLINOIS, BRANCH JOHNSON CO.

Al- WILLIAM McFATRIDGE Sr
was in the army and navy
about 1744, and died before July 18th 1799,
Married to Abigal Steen a Dutch girl
believe married in Philadelphia, Penn.,

Reference is made to the back of this Genealogy of the McFatridges' as noted and given by the Pennsylvania Archives which gives data on residence and Millitary service in Philadelphia Penn (and other data) from where the McFatridges' seem to have migrated before 1790 Census, William McFatridge Sr moved to Mercer County, Ky; leaving his widod Abigal (maiden name Steen) surviving.

Mercer County Records show, that John Stokes and wife decded a 103 acre farm Mch 5th 1794 to John Steen Sr, recorded D B 2 page 246 County Clerks office Mercer County, Ky, (Paid for in Current Money of Virginia).
Will of John Steen dated July 18th 1799, Will Book 2 page 149 of Mercer County, Ky Nov 1799 term shows will probated Clerk of the County Court Mercer County; Ky, one of the bequeaths was to Abigal, a daughter and the wife of William McFatridge Deccased.

Also in same County, William Curry deeded a 100 acre farm April 5 1802 to Thomas Green, recorded D B 4, page 447 County Clerks Office Mercer County Ky,
Will of Thomas Green dated Nov 4th 1801 was probated Mercer County Court Mercer County Ky, in the January Court 1807, see Will Book 3 page 213 Mercer County Court, that his Daughters' Mary and Learannah Married_____McFatridges' (see back for record).

Re; Celmen's, North and South Carolina Marriages Record --- Page 174- William McFatridge, and Ann Dixon married Jan 1st 1799 Guilford County, North Carolina.
(North Carolina Census 1790 lists a Mathew McFatrick (Dutch way of spelling) in Hillsborough Dist Randolph Co N C, Reported from Harrisburg Penn files.)

From all available data it is your historians belief that William McFatridge (Jr) resided in Philadelphia Penn, then moved to Kentucky, then to North Carolina, then Tennessee (where he is presured to have married second time) to Nancy_____ who was his wiaow as given by Court Records in Johnson County, Ill.

History says, that he remained in Tennessee to about 1810, when he then moved to Johnson County Illinois. (about eight miles east of Vienna,) he entered land in this County as shown by the Records of Johnson County, Ill; Entry Book # 1 page 97 he received Patent from USA to William M McFatridge (The letter M standing for Michael) dated Mch 23 1815, to W½ SE¼ Sec 18, Twp 12 South, Range 4 East of the Third P M, 80 acres, he deeded same by WCD (no wife joining he surely was at the time married to Nancy, see Court proceedings) to W M Baker April 28th 1832, Recorded in Book 1 page 110.
Inquiry of the General Land Office Washington D C,

reports the following, the records show that on December 24 1814 William McFatridge of Johnson County Illinois, purchased the W½ SE¼ Sec 18, T. 12 S., R.4 E., 3rd P.M., Illinois, containing 80 acres, at the rate of $2.00 per acre, under the credit system in the District Land Office at Shawneetown, Illinois. the tract was patented to him on Dec 30, 1823, under final certificate No 849. The land was purchased by Mr McFatridge and was not granted to him for military service. no other record.

History has it that he sold out and moved to Pulaska County--where he bought land on the Ohio River where he lived and died, (so far have found no record of same of place of actual death)

In 1843 Pulaska County was formed from parts of Johnson and Alexander. The same year, Massac County was formed from parts of Johnson and Pope, Prior to that (1818-1843), Johnson County had included parts of what was to become Pulaski and Massac Counties.

Re; History of Johnson County, Illinois. By Mrs Chapman, Page 151 William McFatridge came here from North Carolina (others say Tenn) about 1810, his son John was also the head of a family here very early in the county history, they settled in Mack Creek which was named in their honor, also on page 49 find that Washington McFatridge in charge of old road from Pope County line to Bloomfield west to Union County line etc, NOTE this party was the second son of William McFatridge who located and settled in Jefferson County Ill.

For more history of William McFatridge, his son John and Washington his second son who settled in Jefferson County Ill, his widow Nancy at least five daughters and who they married etc.,

From the history of Johnson County Illinois,
By Mrs P T Chapman Vienna Ill.,
Page 413

William McFatridge settled in this county about 1810, eight miles east of Vienna, he was said to be of Irish decent and from the best information to be obtained, came originally from North Carolina (then Tenn to Ill) he was quite prominent in the official affairs of the county in its infancy, served as Justice of the Peace in 1818, was a delegate to the first constitutional convention and also served in the State Legislature. His estate was settled by Ivy Reynolds in 1840, There is a chancery suit on record in that year in which his wife, Nancy, with John, George Washington, Sarah, Mary and Michale Hale, Margaret and Ezekiel Choat, Nancy and Simon Jones, Matilda and Richard Riddle, were given as defendents and are supposed to be the widow and children of William McFatridge Tradition says Washington McFatridge removed from this county many years ago and ther. is no further knowledge of him.

Your historian, C M McFatridge, says that all records and dates shows that he did not go far, about 75 miles north to Mt Vernon Ill, where he settled, married reared a large family and became wealthy as those times guaged wealth, I wish to say further that this branch was rather some scrappers note George Washington leaving home, the law suit as above stated by the heirs, that Willian McFatridge must have left home (second marriage) and resided elsewhere, and that when he died or absented,Himself, they instituted the suit herein stated, and when Washington McFatridge and his wife Rachel died, his children and heirs got into a row and after settling things most of the heirs migrated to NW Texas,

C3-Sarah McFatridge believed to have been single, resided at Vienna Ill, she was born near Vienna, Ill, she is named in the foregoing chancery suit in yr 1840.

C4-Mary McFatridge married Richard Hale she was born near Vienna Ill, Under date of Sept 24 1941 the Postmaster at Mound City Ill, writes that all the Riddles and Hales in that county, Pulaski, have passed away, the last Wm Riddle died last winter (1940) at Anna State Hospital, Anna Ill., Mary and Richard Hale is named in the foregoing chancery suit in year 1840.

D5-Margaret McFatridge d abt 1869 m Ezekil Choat b abt 1801 d abt 1859, who were married and died in Burnside township near Ozark, Johnson County Ill, Ezekiel believed born abt 1803, Choat(e) family history in Johnson County History Ill, on pages 472-473 does not give much as to any one, Margaret and Ezekil Choat(e) named in chancery suit in year 1840, I believe Nicholas Choat(e) father of Ezekil Choat(e), Choat(e) families and others moved to Massac Co Ill, see the history of the county, Originally the Choats did not have an e on the name thos now living spell it Choat(e).

As reconstructed by your historian.

WILLIAM McFATRIDGE Sr, m Abigail Steen, in Penn, where they lived to about 1790 when they moved to Mercer County, Ky; where he is believed to have died, (The Steen will was probated Book 2 page 148 Mercer County Ky.)

Jane McFatridge m Mch 23 1801 to John Dean, (see Marriage Record Book 1 page 80 Mercer County, Ky,) no other data found, however, there is a large number of DEAN in Mercer County Ky.

Susanna McFatridge m Oct 30 1811 to Wm Moseby (see Marriage Record Book 1 page 164 Mercer County Ky,) no other data found, and there is now no one by that name living in Mercer County Ky.

_____McFatridge some time before Nov 8 1801 m Mary Green (see Green will probated in Book 3 page 213 Mercer County Ky som of the Green's yet reside in Mercer County Ky.)

_____McFatridge some time before Nov 8 1801 m Learannah Green (see Green Will probated in Book 3 page 213 Mercer County Ky, some of the Green's yet reside in Mercer County Ky.

George Gabriel McFatrich married his first wife, Margaret, in Penn he moved to Mercer County Ky, and died there about 1823, and is believed (as McFatridge) to have married as his second wife one of the GREEN girls, as they married McFatridges, no other data found.

Robert McFatridge a brother of (William) Andrew McFatridge of Penn, and later moved to Mercer County Ky, is believed to have married the other GREEN girl, as they married McFatridge's, no other data found.

William Andrew McFatridge b Jan 20 1775 was in Penn, and was a brother of Robert McFatridge, he m Martha L Coleman a Native of Mercer County Ky where they lived and died, several Coleman's now reside in Mercer County Ky, (see Mercer County Ky branch)

John McFatridge born in Penn where he is believed to have married Ann Carson in Philadelphia Penn Apr 26 1775, then he married Catharine Derringer a native of Mercer County, Ky; they lived Harrodsburg, Louisville and Milan Ky. then moved to near Madison Ind, where they are believed to have died (there is some of the Derringers living in Mercer County Ky; see Ripley County, Ind; and Appanoose County, Iowa branches).

It is possible that some of the other McFatridges residing in Philadelphia, Penn were related to the Mercer County Ky branch,

A P P E N D I X

In my search I found in the Pennsylvania Archives the following named McFatridge's all off whom are relatives and most likely closely to the Mercer County, Penn branch, their names as given are;

Daniel McFatrick
Thomas McFatrich
Mathew McFatridge
Joseph McFatridge
Malcomb McFatridge
Archie or
Archibald McFatridge

In Volume 1 Pennsylvania Marriage Records, date of May 2 1805 Samuel H McFetrick, m Mary Ann Ralph in Philadelphia Penn.

In the North Carolina Census 1790 lists a Mathew McFatrick (Dutch way of spelling) (note a Mathew listed above) in the Hillsborough District, Randolph County N C, in the 1790 census there was only two states that listed McFatridges or variations, that was Penn and N C.
